Session (II) 11:30-1:00	11:30	**'Invited Lecture (IL1)':** Prof. A. K. Ganguli, Director, INST Mohali **Topic:** Nanostructures for Applications in Energy and Environment
1:00-2:30	**Friday Prayer and LUNCH**	
Session (III): 2:30-5:30	2:30	**'Invited Lecture (IL2)':** Prof. S. Natrajan, IISc Bangalore **Topic:** Nano and Nanoporous Materials: Synthesis, Structure and Properties **'Invited Lecture (IL3)':** Prof. S. Ghosh, JNU Delhi
	4:00	**Topic:** Organic Thin Film to Organic Nanowire and High Performance Organic Field Effect Transistor
5:30-5:45	**TEA**	

DAY 2: MARCH 02, 2013 (SATURDAY)

	9:00	**'Invited Lecture (IL4)':** Prof. Gautam De, CGCRI Kolkata **Topic:** Functional Nano Coatings by the Wet Chemical Process
Session (IV) 9:00-11:30	10:30	**'Invited Lecture (IL5)':** Prof. Annapoorni, Delhi University **Topic:** Structural and Magnetic Phase Transition in Pt based Nanostructured Alloys
11:30-11:45	**TEA**	
	11:45	**'Invited Lecture (IL6)':** Prof. Manish Sharma, IIT Delhi **Topic:** Magnetic Nanomaterials for GHz-frequency Applications
Session (V): 11:45-1:15	1:00	**Report of the Workshop:** Prof. A.K. Ganguli, Convener
	1:05	**Valedictory Remarks:** Prof. T. A. Khan, Chairman
