Introduction

Jamia Millia Islamia (JMI) has great pleasure in announcing a National Workshop on IT Services and applications. This workshop is open to interested teachers, researchers, students and industry professionals. It may primarily comprise of four sessions devoted exclusively to a particular theme. Apart from regular technical sessions, there will be a tutorials session by experts. It is also planned to

invite software and hardware vendors to exhibit and make short demonstrations of their product relevant to theme of the workshop.

Paper Format

The final camera-ready paper should be limited to 2500 words, in standard IEEE double column format.

Registration Fee

Rs 500/- per participant, from external participants only, may be submitted in the form of crossed cheque in favour of Registrar, Jamia Millia Islamia or in cash, in case of on-site registration. However, contributors may submit the registration fee on receipt of acceptance mail for their papers.

Objectives

- To encourage sharing, optimal utilization, and innovations of IT-related developments.
- To spread awareness on IT-enabled future usage and services.
- To explore new areas of information technology enabled services and applications.

Focal Theme

Information Technology Services and Applications

Topics of Interest

Multimedia, Web, E-learning, Embedded and Intelligent Software Systems

Call for Papers

Papers focusing on innovative ideas, software tools, explorations, case studies and/or useful demonstrations are invited on topics relevant to the theme and prescribed topics.

Submission of Papers

Prospective authors wishing to submit a technical paper may send an abstract of approximately 300 words, summarizing

the innovative contributions, results, key figures and references. Abstract should clearly specify the

- Title of the Paper
 - Name(s) of Author(s)
 - Association, E-Mail Id & Fax No.
- An early E-mail submission, as MS Word attachment, of the camera-ready manuscripts of complete paper along with the abstract shall be highly appreciated.

Acceptance of Papers

All the contributions shall be peer reviewed by a technical review committee and acceptance will be notified through e-mail by the prescribed deadline.

Deadlines

Submission of Abstracts: Feb 15, 2003
Notification of Acceptance: Feb 22
Camera Ready paper and PPT
Presentation File : Feb 25, 2003

Proceedings

Web publication of the proceedings of the workshop will be undertaken on JMI's website. Printing of proceedings, received before the deadline, is also being explored.

TA, DA & Accommodation

No TA/DA would be admissible to the participants from the organizers. Limited accommodation at the university guesthouse may be availed at the payment of nominal charges to the outside participants, subject to availability. The organizers shall provide the hospitalities during business hours.
