TRICOLOR FEST -15th August to 31st August 2021

Jamia, nestled at Okhla, a university that emerged out of Mahatma Gandhi's Non-Cooperation movement, having its roots in the Indian freedom struggle, has come a long way. It has been established as an abode of unity celebrating 100 years of illustrious legacy. The university has been accredited for churning several renowned actors, journalists, and academicians in the last 100 years.

As we complete 75 years of our independence, various celebrations have been initiated to commemorate the same throughout the country. 'Azadi Ka Amrit Mahotsav' is an initiative of the Government of India to celebrate and commemorate 75 years of independence of progressive India and the glorious history of its people, culture, and achievements. We at the

Department of Tourism and Hospitality Management at Jamia Millia Islamia organized a week-long "TRI-COLOUR FEST," which began on 15th August 2021. The event was online and inspired students to show creativity using the tri-colour. It had various options like Tricolour beverage/ Tri-colour food delight/ Tri-colour rangoli/ Tri-colour face paint and Tri-colour T-shirt painting. It was open to all the students of Jamia Millia Islamia for participation and to show their creativity. The competition was launched on 15th August, and the entries were accepted till 21st August midnight. Students were required to upload their entries to google classroom, which were later judged appropriately. As it was a week-long event every day reminders and promotions were made to keep up the buzz and create necessary excitement.

The TRI COLOUR FEST was an opportunity to immerse in the tri-colour spirit and reflect on it— a unique seven-day saga celebrating tricolour. A perfect time to THINK TRICOLOUR, PAINT TRICOLOUR, COOK TRICOLOUR, AND WEAR TRICOLOUR. The event was designed to cater to varied interests and targets to bind together the entire Jamia fraternity to uphold and reflect a tri-colour attitude.

It echoes with Jamia's legacy to stand for our freedom and unity. It was a competition to reflect Indianness in whatever we create by using tricolours.

During the entire duration of the event, each day, a new poster and promotion are pushed in student groups and social media platforms, encouraging them to participate. Around thirty entries from various departments line B Arch, B A Program, B Ed Nursery, B Sc Biotechnology, B Voc Food Production, Bachelors of Tourism and Travel Management, M A and M Sc were received. A total of 45 entries were received with tricolour food delight topping with nineteen entries. Face painting/rangoli had eight entries, the tricolor

beverage had six entries, and the t-shirt painting got three.

The students showed fantastic creativity and presentation. The food delight preparations included tricolour pasta, tricolour puttu, tricolour salad, tricolour dhokla, tricolour muffin, to name a few. The true tri-colour spirit and shining eyes with pride for the nation were unmatched.
