About Us

Jamia Millia Islamia, a Central University, renowned for its highly glorious past and an equally promising future, has more than 22,000 students, 700+ full time teaching faculty, 9 faculties, 39 departments and more than 200 courses.

The Centre for Management Studies (CMS) was established in 2003 and has a very rigorous process of selecting students for its MBA programmes with specialisation in Finance, Marketing, Human Resource Management and International Business. CMS offers PhD in Management, MBA (Full Time), MBA (Executive), MBA-Entrepreneurship and Family Business and MBA-International Business. CMS has been well accepted by the market and with students placed in top reputed and multinational companies.

Conference Theme

Changes in the structural form of the financial markets globally and different financial crises have led the thinkers to evolve newer financial products and systems. The role of fast-growing economies is inevitable in the development of the global financial market infrastructure. The new-age policy framework, transformation of economies especially emerging ones are new drivers of the global financial engine. Price transparency, efficient trade, hedging and effective risk management, access to structured finance and financial inclusions are major concerns.

The proposed Conference is an endeavor to raise major policy issues concerning financial markets. The researches and deliberations are expected to highlight the contemporary perspectives of finance.

Topics(Not restricted to)

Financial Markets, Derivatives, Islamic Finance, Behavioural Finance, Financial Services, Credit risk Modelling, Financial engineering, Asset-liability Management, Portfolio Management, Merger and Acquisition, Project Management, Corporate Restructuring, Asset Pricing, Investment banking, Corporate Finance, Security Analysis, Foreign Exchange Management, Venture Capital, Mutual Funds, Valuation Models, Financial Inclusion, Microfinance, Social Entrepreneurship, Accounting, Performance Evaluation and Efficiency, Tax Accounting and Fraud, Accounting Standards and Regulations, Bankruptcy Prediction, Applied Economics, Application of ANN, Machine Learning etc.
