Faculty of Architecture & Ekistics  
Jamia Millia Islamia, New Delhi

presents  
an [online] extension lecture on

# MANGROVE ECOSYSTEM

by  
**Laxmikant Deshpande**

Laxmikant works as Senior Manager for Mangrove Conservation and Environmental Sustainability with Godrej & Boyce Mfg Co Ltd. He drives research conservation and awareness initiatives on mangroves, biodiversity, water and solid waste management. He has developed the Mangroves app, and conceptualised & coordinated 'Many Secrets of Mangroves', India's first children story book on mangroves.

on  
**27th July, 2020 @ 11:00am**

Registration Link :  
<https://rb.gy/xidhyd>

**The lecture will be held online on  
Google Meet.**

[The meeting code will be sent to the registered participants by 10:00am on 27.07.2020]
