Director of Instituto Cervantes of New Delhi

on

**“ARABISMOS EN ESPAÑOL”**

Spanish words with Arabic origins

**WEDNESDAY 9<sup>th</sup> NOVEMBER 2016**

**at 3:00 pm at TAGORE HALL**

Jamia Millia Islamia

There are more than 3.000 words in the Spanish dictionary that have their origin in Arabic nouns, which were incorporated into the language during the 8 centuries of Al-Andalus.

The Arabic influence in the Spanish language can be seen directly in numerous fields, such as the agriculture, gastronomy, mining, the army, construction, music, names of places and everyday life.
