organises

a skill development workshop

by

Society for Promoting the Arts, Culture and Education, Goa

SPACE Theatre Ensemble

The SPACE Theatre Ensemble is a self-sustaining theatre repertory functioning since 2009 who have performed and carried out workshops across the country. Using theatre as a pedagogical tool, they engage with young people and help professionalize the arts. This workshop aims at equipping the students with tools to articulate and modulate themselves better which would enable them to handle situations with more conviction.
