CCMG INVITES
YOU TO

WORKSHOP
ON SPSS

WORKSHOP ON SPSS

About the Workshop

The Workshop will give you an opportunity to learn the SPSS and statistical tools to handle media data. The three hours duration of the workshop is divided into three segments of one hour each. The first hour of workshop will give the introductory lecture on how to handle our media data. The second hour will be on what type of statistical tools required to map the data and last hour of workshop will be on SPSS to map the correlation and regression.

About the Speaker

Dr. Suman Negi has a Ph. D in Population Studies from the Centre for Study of Regional Development, Jawaharlal Nehru University, New Delhi. She is currently working as an Assistant Professor in the Department of Educational Planning, at the National Institute of Educational Planning and Administration (NIEPA) under MHRD, New Delhi. Dr. Negi during her Ph.D worked on spatial and socio-economic factors affecting access to education. Having specialized in population studies, she is currently working on a project on educational out-migration and her research work mainly focuses on

education and its related aspects. She is mainly involved in teaching and capacity building activities of students and officials from state education departments in the area of educational planning. She has participated in several conferences and also published in reputed journals.
