OBJECTIVES OF THE COURSE

Research Methodology course works as a training session for new researchers before going to the field of studies. Therefore, the core objective of this workshop is to enable the research scholars with conceptual understanding and essential skills to conduct the research based on empirical data and to enable the researcher in turning final research work into publishable study materials in the form of books, articles and journals, etc.

- Fundamentals of Social Science Research
- Preparation of research proposal – giving basic training how to conceive a sound research Proposal.
- Field work training.
- Data Processing and Techniques of Investigation.
- How to read and interpret the data.
- Preparation of the report (how to write the final research report).

IMPORTANT DATES

Last date for submission of registration form: 25th January, 2019 (Friday).

Date of Announcement of Selected candidates: 4th Feb, 2019.

There is no registration fee for this course.
