Bachelor of Technology (B.Tech.) Programme (Semester System)

Notwithstanding anything contained to the contrary, the following Ordinances shall apply to the B. Tech programme of the Faculty of Engineering & Technology under the Semester System.

1. The degree of Bachelor of Technology (B. Tech) shall be awarded to candidates who have successfully undergone at this University, a regular program of study of minimum four academic years (eight semesters) in the relevant branch of Engineering and who satisfy other academic requirements as specified by the Academic Council from time to time.

Evaluation

2. A course may be a theory course or a practical course (including project, seminar, field work, industrial training etc.). A course will carry a specified number of credits decided by the concerned Board of Studies. Each credit will be equivalent to 25 marks.
 - (a) In each semester, for each prescribed theory course there shall be a Mid Semester Evaluation and an End Semester Examination.
 - (b) The Mid Semester Evaluation shall have a weightage of 40% while the remaining 60% weightage will be for End Semester Examination.
 - (c) The marks in respect of the Mid Semester Evaluation of a course shall be notified by the Head of the Department concerned before the commencement of the End Semester Examination. The Mid Semester Evaluation (40%) shall comprise the following:
 - i. 30% for two mid semester tests, both of equal weightage;
 - ii. 10% for other modes of sessional evaluation (to be specified by the Faculty Committee and notified before the commencement of teaching of each course.)
3. A student has to secure at least 35% marks in each component (i.e. Mid Semester Evaluation and End Semester Examination) in order to pass the course. In order to be eligible to appear in the End Semester Examination of a particular course, a student must get the required minimum of 35% marks in the Mid Semester Evaluation of that course.
4. There will be no Mid Semester practical tests. In a practical course/project/seminar/industrial training/field work, the End Semester Examination shall have a weightage of 40% while the performance of the student as evaluated by the teacher concerned during the semester (i.e. Mid Semester Evaluation) shall have a weightage of 60%.
5. The marks of each course shall be the combined marks obtained by the student in the Mid Semester Evaluation and the End Semester Examination.

Promotion

6. If a student is detained due to shortage of attendance in any semester, he/she will not be promoted to the next semester. He/she will also be detained for the subsequent semester. Thereafter he/she will become a regular student of the same semester in which he/she was detained. As a regular student, he/she will appear in the mid semester tests as well as the End Semester Examination.
7. (a) Every student shall be promoted from an odd semester to the next even semester except those detained due to shortage of attendance (as in clause 6 above).

(b) A student will be promoted from an even semester to the next odd semester (except those detained due to shortage of attendance as in clause 6 above), provided the total number of his/her uncleared credits does not exceed 22.
8. A student who is not promoted as in 7 (b) above; due to uncleared courses exceeding 22 credits, will be detained for a whole year and will appear (as an ex student) in the End Semester Examinations of all his/her uncleared courses (held in that year, in both semesters). He/she may, however be permitted to attend classes of the uncleared courses, with the permission of the Head of the Department. However, he/she will have to reappear in the Mid Semester Evaluation of only those courses in which he /she could not secure the required minimum of 35% marks (specified in clause 3).
9. A promoted student will not appear in the Mid Semester Evaluation of uncleared courses, provided he/she had obtained the required minimum of 35% marks in the Mid Semester Evaluation of that course. The marks obtained by him/her in the Mid Semester Evaluation (as a regular student) will remain valid.

Use of unfair means

10. (a) If the result of a student is cancelled on account of using unfair means, his/her previous Mid Semester Evaluation marks shall remain valid and will be taken into account for the award of grades whenever he/she is subsequently permitted to appear in the End Semester Examination

(b) The cases of students resorting to unfair means shall be referred to the Examination Committee.

Re-evaluation

11. There shall be no re-evaluation in any B.Tech. (Semester System) Courses.

Compartmental Examinations

12. Compartmental examinations will be held only for regular students, in the theory courses of VII & VIII semesters, after the declaration of VIII semester results.

Maximum Time Limit

13. No student shall be allowed to appear in the examination after the expiry of seven annual academic sessions including the one in which he/she was first admitted to the Bachelor of Technology programme.

14. Attendance:

The provisions of the University Ordinance-X in this respect shall be applicable.

15. LETTER GRADES

The Letter Grades will be awarded in each course on the basis of the combined marks obtained by the student in the two components of evaluation (Mid Semester Evaluation and End Semester Examination) mentioned in Clauses 3 and 4. Letter grades on 10-Point Scale will be awarded as described here in below. On obtaining a pass grade, the student will be supposed to have earned the credits assigned to that course and no chance for improvement of this grade shall be provided.

16. GRADING:

16.1 A letter grade shall be awarded in each course and on obtaining a pass grade A, B, C or D, the student shall be supposed to have earned the credits assigned to the course.

16.2 The combined marks obtained by a student in the two components of evaluation (Mid Semester Evaluation & End Semester Examination) of a course shall be the basis of award of letter grades (A, B, C, D and F) on 10-Point Scale in accordance with the table given below

Range of Marks Obtained	Letter Grades	Grade Points	Significance
75% and above	A	10	Outstanding
60% and above but less than 75%	B	8	Very Good
45% and above but less than 60%	C	6	Good
35% and above but less than 45%	D	4	Satisfactory (Minimum Passing Grade)
Less than 35%	F	0	Unsatisfactory (Fail Grade)

17. Submission of Grade Award List:

The Grade Award list of a course shall be prepared by the teacher(s) concerned in triplicate and shall be submitted along with evaluated answer scripts (if any) for tabulation of results.

18. Semester Performance Index (SPI):

It is the weighted average of the grade points of all courses during the semester and shall be calculated as follows:

$$SPI = \frac{\sum(\text{Credits assigned to a course}) \times (\text{Numerical value of the grade awarded})}{\sum \text{Credits}}$$

$$SPI = \frac{\sum C_i W_i}{\sum C_i}$$

where the sum run over all courses of that semester.

Cumulative Performance Index (CPI):

19. The final CPI (Cumulative Performance Index) of a student shall be calculated on a base of 10 and shall be on the basis of the candidate's performance, spread over the first year, the second year, the third year and the fourth (Final) year of Bachelor of Technology Programme. The relative weightage assigned to each of the four years shall be as follows.

- | | |
|------------------------------|--|
| (i) The first year | 25% (of the sum of SPI of I and II Semesters) |
| (ii) The second year | 50% (of the sum of SPI of III and IV Semesters) |
| (iii) The third year | 75% (of the sum of SPI of V and VI Semesters) |
| (iv) The fourth (Final) year | 100% (of the sum of SPI of VII and VIII Semesters) |

where SPI (Semester Performance Index) will be calculated according to the provision given in Clause 18 herein above.

Division

20. The Division will be awarded in the following manner (with maximum CPI of 10 as base):

<i>I Division with honours</i>	CPI \geq 8.5
<i>I Division</i>	6.5 \leq CPI < 8.5
<i>II Division</i>	CPI < 6.5

21. Conversion Formula of Cumulative Performance Index (CPI):

For the purpose of conversion of CPI after Final Year B. Tech. Examination into an equivalent Percentage of Aggregate Marks (Y %), the following formula may be used:

$$Y\% = (20X^3 - 380X^2 + 2725X - 1690) / 84$$

Where, X is the CPI of the student.

Bachelor of Architecture (B.Arch.)

1.0 CURRICULUM

- 1.1 The entire curriculum of five years will be divided into Two STAGES, first Three years will constitute STAGE-I devoted to Basic Course and next Two years will constitute STAGE-II.

| 1) | <u>Continued assessment</u> | - | 25 marks |
| | a) Assignments (written) | - | 20 marks] |
| | b) Oral Test | - | 5 marks] |
| 2) | <u>End Semester Examination-</u> | | 75 marks |

(All assignments to be completed before the End Semester Examination)

Provided in case of Clinical and Seminar Courses the scheme of evaluation shall be as under:-

- | | | | |
|-----|---|---|-----------|
| (3) | <u>Clinical Courses</u> | | |
| | i) Written Report/Paper | - | 50 marks |
| | ii) Oral Presentation/Defense | - | 25 marks |
| | iii) Record of daily work maintained in a record book | - | 25 marks. |
| (4) | <u>Seminar Courses</u> | | |
| | i) Written paper | - | 75 marks |
| | ii) Presentation | - | 25 marks |

4. The evaluation shall be through grades in a nine point scale with the corresponding grade value as under:-

	<u>Percentage of marks</u>	<u>Grade</u>	<u>Grade Value</u>
i)	75% and above	O	9
ii)	70 to 74%	A+	8
iii)	65 to 69%	A	7
iv)	60 to 64%	B+	6
v)	55 to 59%	B	5
vi)	50 to 54%	C+	4
vii)	45 to 49%	C	3
viii)	40 to 44%	D	2
ix)	Below 40%	F	1

In order to be declared pass/successful in any course, a student shall have to secure the following Grades:

- (i) "C" Grade in Theory
- (ii) "C" Grade in Internal Assessment
- (iii) "C+" Grade in Aggregate

Those who are unable to secure the required grades, as mentioned above, shall be deemed to have failed in the course concerned.

5. Promotion Scheme

- i) A student shall be promoted automatically from an odd semester to next even Semester.
- ii) Provided that a student shall not be promoted from an even Semester to next odd Semester, if he/she has failed in more than four courses/subjects.
- iii) Every student who has failed in more than four courses at the end of a given academic year or who has failed to clear requisite number of courses of the preceding years before being eligible to be promoted to the next odd Semester, shall be entitled to appear as an ex-student for the same year in respect of the courses to be cleared by paying such fee as may be prescribed from time to time.

In respect of such students there will be no requirement of compulsory attendance in such courses. However, such students will have to complete all other requirements of the course/courses as prescribed for the regular students.

6. Improvement

A Student obtaining a passing grade in any course other than a Clinical or a Seminar Course may, if he/she so desires, repeat the examination in that course for improving the CGPA only once. Such students shall have to appear for improvement of preceding years examinations in the ensuing respective Semester Examination.

7. The maximum permissible time limit for passing the B.A., LL.B. course shall be 8 years (16 semesters) inclusive of the year of admission.

8. Award of the Degree

A Student will be eligible for the award of B.A., LL.B (Hons.) Degree only when he/she has successfully completed all the prescribed 60 credit courses with a total of 180 credits and obtained a CGPA of 4.00 and above out of 9.00, and has also qualified in all non-credit courses.

9. Cumulative Grade Point Average (CGPA):

Cumulative Grade Point Average (CGPA) will be arrived at by dividing the sum of the products of Grade Values and the Course Credits in each course by the Total number of credits in all the courses.

- iv. 50% marks in Project

4. Division:

- a. 75% and above-Distinction
- b. 60% and above but less than 75%- I Division
- c. 50 % and above but less than 60%- II Division
- d. 40% and above but less than 50 % - III Division

5. Maximum Time Limit

The Maximum Permissible time limit for passing the M.Sc. Tech.(Industrial Mathematics with Computer Applications) shall be five years, inclusive of the year of admission.

Master Degree/Post Graduate Courses in Computer Science

(1) Semester Examination: Not with standing any thing contained to contrary, the following ordinance shall apply to the Post Graduate Course the Deptt. Of Computer Science under Semester System,

(2) Award of the Degree: A candidate shall be eligible for the award of degree/diploma provided he/she has passed all the prescribed papers in the course of study and satisfy other academic requirement of the course specified by the Academic Council from time to time.

(3) Maximum time Limit:

Maximum time limit of a course shall be 'two additional years to the prescribed duration of the course' or 'twice of the prescribed duration of the course', whichever is less.

(4) Weightage:

- | | |
|---|-----|
| i) Theory papers | 70% |

9. Maximum Time Limit of the Course.

All the students shall have to complete all the requirements for the award of M.Sc Degree within Maximum time limit of four academic years inclusive of the year of admission to the course.

M.Sc. Bioscience

(1) Pass percentage:

A candidate shall be declared Pass if he/she secures the following marks:

- (i) 33% marks in each paper or part thereof;
- (ii) 40% marks in practical/Internal Assessment/Project/Viva Voce/Dissertation;
- (iii) 40% marks in the aggregate of each Part

(2) Promotion rules

- (i) For promotion from M.Sc. Ist year (Previous) to IInd year (Final) Student has to pass 4 Papers
- (ii) If failed in more than two papers of a year, he/she has to appear for all the papers of that year in the next annual examination as an ex student.

(3) Division

The Division shall be awarded to the successful candidates on the basis of aggregate marks as follows :

- (i) Ist Division: $\geq 60\%$ (Marks in aggregate)
- (ii) IInd Division: $> 50\%$ and $< 60\%$ (Marks in aggregate)
- (iii) A candidate securing at least 75% marks in aggregate and having passed all the semester examination in the first attempt shall be declared to have obtained Distinction.

(4) Maximum Time Limit of the Course.

All the students shall have to complete all the requirements for the award of M.Sc Degree within Maximum time limit of four academic years inclusive of the year of admission to the course.

B.Sc.(Hons.) Bio-Science/ B.Sc.(Hons.) Biotechnology (Voc.)

(1) Pass Percentage:

A candidate shall be declared Pass if he/she secures the following marks:

- (i) 33% marks in each compulsory paper;
- (ii) 33% marks in each paper;
- (iii) 33% marks in Practical/Internal Assessment/

(b) A candidate securing at least 75% marks in aggregate and having passed all the semester examination in the first attempt shall be declared to have obtained Distinction.

(4) Maximum Time Limit of the Course.

All the students shall have to complete all the requirements for the award of B.Sc Degree within Maximum time limit of six academic years inclusive of the year of admission to the course.

B.Ed (Distance Mode) Examinations:

(1) Evaluation:

The examination for the degree of B.Ed. (Distance Mode) shall comprise:

- a. Theory papers
- b. Practice Teaching
- c. Practical Work

(2) Theory Papers:

(a) Each Theory Paper shall be of 100 marks.

(b) 30% marks in each of the theory papers shall be allotted to assignments.

(c) 70% marks in each theory paper will be allotted to Term-end Examination.

(3) Practice Teaching:

The total marks allotted to Practice Teaching will be 300. For evaluating the teaching skills acquired by each student in teaching two school subjects, the distribution of marks will be as follows:

(a) The Teacher Educator will observe 10 lessons (5 in each subject).

200 marks (100 marks in each subject) will be awarded by the Teacher Educator for evaluating the Practice Teaching of both the school subjects.
