COURT 2021 (I): Resolution – 09

ITEM NO.7: ANY OTHER ITEM (S) WITH THE PERMISSION OF THE CHAIR.

Shri Rakesh Sinha, MP, Rajya Sabha, pointed out that western/colonial writings and theories still dominate the minds of academic fraternity in the Indian subcontinent; and that, these writings should be liberated from looking at the problems or historical developments from Colonial perspective. Hence, a process of decolonizing the disciplines across the educational institutions should be advocated to recuperate and re-evaluate the institutional and cultural forces and various disciplines of studies. He made a strong suggestion to establish a Centre for promoting the interdisciplinary studies on 'Decolonization', as no educational institution has taken any initiative in this direction so far. Honorable Vice Chancellor welcomed his suggestion and ensured that Jamia will definitely take lead in this regard.

The Registrar proposed a Vote of Thanks to the Members for their meaningful participation in the deliberations.

The meeting concluded at 2:30 p.m. with a vote of thanks to the Chair.
