Faculty of Dentistry, Jamia Millia Islamia

Presents

Asserting Orthodontic Anchorage

25th January 2019

Venue: Dr. M. A Ansari Auditorium, Jamia Millia Islamia (A Central University),
New Delhi - 110025

....*The Whole is Greater than the Sum of its Parts!*

With the support and encouragement from stalwarts and post graduates across India over the years, "**8th Insight into orthodontic post graduate examination**" this time ventures into theme of "**Asserting Orthodontic Anchorage**". Anchorage has progressed from conventional edgewise preparation to contemporary TADs and skeletal anchorage systems. So gear up to abreast yourself with the latest evidence on the topic, with plethora of cases and an evidence based quiz.

Grab this opportunity to interact with the masters, all under one roof. At the end of the brainstorming day, the post graduates should be enriched with theoretical and clinical aspects of anchorage planning.

We are also launching a handbook on Anchorage which cites the important articles and should be highly beneficial for quick revision just before the exams.

....We hope to give you all an academically enriching experience.

Schedule At A Glance...

8.30-9.00 AM	Registration and Breakfast
9.00-9.15 AM	Preliminary Rounds for "Session II-"Evidence-based" quiz competition "*"
