The activities in the department should be planned in a way that it doesn't put pressure on student and student is able to learn and retain more instead of just being involved.

The University have a poor representation of weak section of society^(particularly muslims). For that administration should make policies to improve their representation. Such as building new hostel, providing some scholarship etc. for weak section of muslim society.

Suggestion/Scope for further improvement (if any)

Our department infrastructure is not good. Our classes have tin shade and they heat up so much in summers. Because of this we are not able to work in our classroom.

Three horizontal questions: Is there a need to improve Teaching/ Learning?, Were you getting any scholarship/ stipend while study in JMI?, Are you willing to contribute to the development of Department/Center/University?

Suggestion/Scope for further improvement (if any)

At is true that in these two years, I learned a lot from here. But still, there is room for some improvements

- 1. Quality of books in the library must be improved.
2. More placement cells should be set-up for the ease of students.

Suggestion/Scope for further improvement (if any)

In second Year, the syllabus was too long to cover in 3 months after internship so, do something with this. also the Time table is not followed strictly in education department. Time table is too much flexible.

Suggestion/Scope for further improvement (if any)

Principal/HOD should have some visits of the ongoing classes and check what is going on in the class-room. Some teachers only pass the time of the class in useless stuff.
