*ANNUAL REPORT*

**(PART-I)**

April 1, 2012 to March 31, 2013

## **Foreword**

It is a privilege to present the Annual Report of Jamia Millia Islamia for the year ending March 31, 2013. This Report has been compiled in pursuance of Section 27 of the Jamia Millia Islamia Act 1988, and is placed for the consideration and approval of the *Anjuman* or University Court.

This Annual Report is a record of the institution's endeavours and achievements in the course of a year. It is a comprehensive overview of an entire year's academic, administrative, financial, and infrastructural inputs drawn from the university's departments and centres of study and research, its schools and its administrative offices. I thank all faculty members and staff who furnished the details that form the content of this voluminous Report.

The following have worked to compile this voluminous Report: Professor Ameena Kazi Ansari, Department of English Mr. Shamim Ahmed, LDC in the Office of the Foreign Students Advisor, Mr. Sagheer Khan, PA in IASE, Faculty of Education, and Mr. Faisal Farooqui.

Administrative and technical support, and assistance in compilation, was extended by Jamia's Registrar, Prof. S. M. Sajid, and his office, especially Mr. Aftab Ahmad, Assistant Registrar, and his colleagues in the Academic & Council Branch. My thanks to them all.

**Najeeb Jung**

Vice Chancellor

## Jamia Millia Islamia

### An Overview

2012 - 2013

Jamia Millia Islamia (JMI) is a university that has carved out its own distinctive place in the country's academic scenario. This institution places a premium on innovative teaching and professional training since its inception in 1920. Over the years, Jamia has emerged as a seat of learning that not only underscores the cultural and religious diversity of India, but also contributes to evolving and sustaining the pluralism that marks the inclusive spirit of the country. It has inculcated a spirit of learning that blends tradition with modernity, humanism with liberalism, and nation building with professionalism. Jamia's strength lies in its ability to cull from the past in order to address the present and forge the future.

Below is an overview of prominent landmarks in the period of Jamia's Annual Report 2012 – 13.

#### ACADEMICS

##### Undergraduate semester system:

- All of JMI's undergraduate programmes switched to the semester system from the academic session 2012 – 2013. Consequently, all under-graduate course syllabi were re-designed for the changeover.
- The post-graduate credit transfer system was also introduced across faculties, departments and centres. This allowed students to opt for courses across disciplines and faculties, adding diversity and flexibility to academic programmes. Jamia is one of the first institutions in the country to have introduced the credit transfer system at the post-graduate level.

##### Collaboration:

- JMI's AJK Mass Communication Research Centre (MCRC) entered into a multi-pronged collaboration with the School of Media, Art and Design of the University Westminster, London, and York University, Toronto. MCRC is keen to start practice-based research which involves 'experimentation' with the help of faculty from both overseas institutions.

#### STUDENT ACHIEVEMENTS

##### Civil service entrance success

- 14 students coached at JMI's residential the Centre for Coaching and Career Planning cleared the Civil Services (Main) Examination, 2012. This Centre provides free coaching to candidates belonging to Minorities, Scheduled Castes, Scheduled Tribes, and women.

##### Participation in international/national events:

- Four student-scientists from the Centre for Theoretical Physics participated in a summer school at the International Centre for Theoretical Physics in Italy. The focus was on cosmology.
- National Service Scheme (NSS) volunteers took part in the 15<sup>th</sup> All India National Integration Camp, Jodhpur, Rajasthan. To promote nationalism and brotherhood, they participated in all cultural activities, and secured first position in the group folk dance competition.

##### Sports:

- Dr. Aurangezeb Khurram Hafiz, Department of Physics, was National Champion in the National Bench-press Power Lifting Championships, at Jamshedpur, February 22 – 26, 2013. He secured the gold medal in the 120 kg weight class and became best lifter of the Championship with final lift of 225 kg.

- Mr. Hamad Bin Aziz, BACA 2<sup>nd</sup> year, was selected to represent Indian Universities at the 12<sup>th</sup> World University Badminton Championships, 2012, in Gwangju, South Korea. Hamad was placed second in the national trials and was member of the Indian team which reached the pre-quarterfinal stage in Korea.
- JMI won the Zakir Husain Memorial Football Tournament, organized by Zakir Husain College, Delhi University.
- JMI won the SA Rahim Memorial Football Tournament, organized by Jamia.
- JMI won the football trophy at the Amity Spardha Sports Fest.
- JMI reached the final of the Toyota University Cricket Championship in the T-20 format, jointly organized by NDTV and the Ministry of Human Resource Development, March 11, 2013. JMI lost to Jain University, Bangalore, by two runs.
- JMI's cricket team secured second place in the North Zone Inter-varsity tournament and third place at the all-India level.
- In association with NSS, NCC, Ministry of Youth Affairs and Sports, and the support of the Directorate of Youth Services & Sports, Government of Himachal Pradesh, JMI organized a cycle expedition to spread the message 'Save Water, Save Earth'. It was flagged off by Veer Bhadra Singh, Chief Minister, Himachal Pradesh, on February 20 and received by Nita Chaudhury, Secretary, Ministry of Youth Affairs and Sports, Government of India, at JMI on February 27. 26 students (20 boys and 6 girls) and 13 staff members participated in the rally, covering 452 km through Himachal Pradesh, Punjab, Haryana and Chandigarh.

#### General Knowledge:

- Mr. Ayush Sharma of B. Tech. (Computer Science) 4<sup>th</sup> year and Mr. Apratim Mukhopadhyay of B. Tech. (Electronic and Communications Engineering) 2<sup>nd</sup> year won the Delhi Heritage Quiz, organized by Indian National Trust for Art and Cultural Heritage (INTACH) in partnership with Delhi Tourism.

#### AWARD

- Prof. Akhtarul Wasey, Dept. of Islamic Studies, was conferred the Padamshri for his contribution in the field of literature and education.

#### HONOURS

- Dr. Atiqur Rehman, Department of Geography, was granted a 3-year project on 'Understanding Impacts of Desert Urbanization on Climate and Surrounding Environments to Foster Sustainable Cities Using Remote Sensing and Numerical Modeling' by the National Aeronautic and Space Administration (NASA), USA. The project aims to better understanding of the impact of changing land cover spatial distribution, patterns and arrangements within and around desert cities in relation to climate change and to use this knowledge to support adaptive managements and foster sustainable desert cities. Total cost of s project is \$ 7,65,990.
- Ms. Ningombam Chandrachani Devi, senior research fellow at Centre for Theoretical Physics, was awarded a Post-Doctoral Fellowship of \$ 1,925 per month by Coordenacao de Astronomia e Astrofisica (COAA), Brazil.
- Centre for North East Studies and Policy Research received a grant of Rs. 14 crore to expand its programmes. Union Minister for HRD, M. Pallam Raju inaugurated the new premises of the Centre.

#### SPECIAL EVENTS

## FACULTY OF EDUCATION

### DEPARTMENT OF EDUCATIONAL STUDIES

Department of Educational Studies, the erstwhile Department of Foundations of Education was carved out of the Teachers College in December 1980. It began with the Ph.D. (Education) and M.Ed. Programmes. Since its inception, providing education compatible with national and international standards has always been the Department's priority. Recognizing the need and challenges of education in the country, the Department continues to promote innovation through research and teaching programmes. As part of this effort, the M.Phil programme was introduced in 1983 to engage the students in conducting quality researches.

With a view to keeping pace with the emerging trends in education, the Department has launched three more programmes i.e. M.A. (Educational Planning and Administration), M.Ed. (Elementary Education) and Post Graduate Diploma in Educational Management (PGDEM) Whereas M.A. (Educational Planning & Administration) introduced in 1984-85 has planning and administration as its thrust area, M.Ed. (Elementary Education) programme, launched in 1997, focuses more on the complex needs of elementary education. The latter is an innovative teacher education programme which presents an effective blend of theory and practice. Significantly, all the programmes in the Department are research oriented. The main

thrust areas of these programmes are research studies, teacher education, educational management and administration, psychology of education, cognition and learning, mental health, gender education, ICT and language education.

The Department was granted DRS under Special Assistant Programme on the thrust area of Educational Management for a period of 5 years i.e. 1 April, 2007 to 31 March, 2012. Under the aegis of DRS, the department organized seminars, workshops, and Training Programmes for various institutions in Educational Management and research etc.

## DEPARTMENT OF TEACHER TRAINING AND NON FORMAL EDUCATION (IASE)

Our Department is one of the oldest departments of this University and is on the anvil of celebrating the platinum jubilee. Department was started in 1938 as Usthadon Ka Madrassa (Teacher Training Institute) to prepare teachers for Basic schools envisioned by Gandhiji. Even today the Department offers Teacher education programmes which emphasize the work education, co curricular activities and holistic development of the students. This Department became the first IASE of the country in 1988.

### **Training & Placement of Students**

- The data of the students of the Department was collected and has been uploaded on Jamia Web site. The placement cell organized interviews of Students for employers like Azim Premji foundation and many were selected.

### **Co-curricular/Extra-curricular event organized by the Deptt./Centre/Faculty:**

#### **CCA - CO CURRICULAR ACTIVITIES**

Co Curricular Activities is an essential component of the teacher training curriculum.

Students from B.Ed( General, Nursery, Special education), Diploma in ETE II & I year are divided into the following 8 Houses :-

- Ajmal
- Ansari
- Azad
- Gandhi
- Mujeeb
- Nehru
- Sayyadain
- Zakir

Every House has an HR, CR and JCR who are the elected representatives of their respective houses. From amongst these 24 members, the office bearers of the subject association were elected.

### **Subject Association**

The Office Bearers of the Subject Association of the Faculty of Education were chosen as per the elections held on 6<sup>th</sup> September, 2012

Vice President Divya Nath

General Secretary Azhar Khan

Joint Secretary Mohd. Anas Anwar

The Subject Association works towards organising academic as well as cultural events in the Department.

Following is an account of all the activities that were organised over the year

#### **EXTEMPORE COMPETITION ON TEACHER'S DAY**

- EXTEMPORE Competition was organised on 5<sup>th</sup> September, 2012
- The umbrella topic for the competition was Qualities of a 'National Teacher'
- 1 participant each participated from all the 8 Houses and they were free to express their views through the medium of any of the languages- English, Hindi or Urdu
- The participants were given 1 minute to think about the topic and organise their thought process and 2 minutes to speak and express themselves.

#### **ESSAY WRITING COMPETITION**

- An Essay Writing Competition was organised on 1<sup>st</sup> October, 2012
- The topic for the competition being – 'Non Violence and Peace'

- 3 Entries from each house was received in English, Hindi and Urdu language.
- The time limit for the essay was 1 hour and word limit being 500 words.

#### **NSS CAMP**

NSS camp was organised from 12<sup>th</sup> December to 18<sup>th</sup> December, 2012 and the Picnic to Deer Park, HauzKhaz was organised on 19<sup>th</sup> December. The camp was inaugurated on 12<sup>th</sup> December by Dr. Ashok Arora, SCERT, Motibagh and Dr. Abid Hussain, NSS Program Officer Jamia Millia Islamia. Various activities and competitions were organised as a part of NSS camp.

All the 8 Houses were given their respective areas for Campus Development and all of them put in their best effort to beautify the campus.

Also a **Community Survey** was done on 16<sup>th</sup> December 2012. The students were given their respective blocks and they had to fill up questionnaires and collect information on the Health and Educational Status of Okhla Vihar. Thus an effort was made to create an understanding of social issues among the students. This survey provided valuable input and made the students come close to the ground realities.

Following competitions were organized:

#### **BEST OUT OF WASTE (COLLAGE COMPETITION)**

The best out of waste (collage competition) was organised by ANSARI House and MUJEEB House on 15<sup>th</sup> December, 2012. The theme being 'State Cultures'. 6 participants participated from each house. The material to be used was to be low cost and the time limit was 90 minutes.

Various state cultures were beautifully represented in the collage made by the students. Punjab, Rajasthan, West Bengal, Gujarat, Jammu and Kashmir, Kerala, Goa being amongst them.

#### **FLOWER ARRANGEMENT COMPETITION**

The Flower Arrangement competition was organised by Zakir House and Azad House on 16<sup>th</sup> December, 2012. The theme for the competition being - Peace and Fire. Six participants from each house were allowed. The duration for the competition was one hour, the participants were to use not more than 12 fresh flower sticks. The participants were allowed to use flower vase and extra decoration provided it was low cost..

#### **QAWWALI COMPETITION**

Qawwali competition was organised by Sayyadain and Nehru House on 17<sup>th</sup> December, 2012 on the theme - Sufiyana, and with Time limit of 10 to 12 minutes, each house had sent one team with a maximum 12 participants with Girls (4-6) and Boys (4-6). The participants performed with full vigour and the competition was a huge success.

#### **STREETPLAY**

The streetplay competition was organised by Gandhi House and Ajmal House

Theme for the play being 'Empowerment' Duration for the play being 8 to 10 minutes

The number of participants from each house were to be not more than 15. Women Empowerment, Student Empowerment, Empowerment of Common Man, Empowerment of Differently-abled were amongst the issues touched by the participants while performing their act.

#### **WOMEN'S DAY Celebration**

Women's day was celebrated on 8<sup>th</sup> March 2013. Various issues facing the women of today were discussed. Many students gave thought provoking speeches as well as recited self composed poems.

**WALL MAGAZINE**

The wall magazines of the various houses were displayed on 12<sup>th</sup> March, 2013.

All the 8 houses chose their respective themes as follows:

Ajmal House - Right to Education

Ansari House – Craft Centred Curriculum

Azad House – Vulnerable Children

Gandhi House – Malnutrition ( a silent destroyer )

Mujeeb House – Old Age Care

Nehru House – Edu – Techspiration

Sayyadain House – Women ( Broken Pillar of Society)

Zakir House – Dahshat Vahshat aur Zindagi

It was indeed a very creative display of thoughts and imagination power of the students.

The wall magazines presented a small world in itself and was definitely food for thought.

**ANNUAL DAY CELEBRATION**

For the first time in the history of the Department, the Annual Day was celebrated at the Ansari Auditorium instead of the New Hall at IASE. The chief guest was the chairman of Rehabilitation Council of India (RCI) Major General (Retd) Ian Cardozo who delivered his chief guest's address on different aspects which make a perfect teacher. The qualities such as character, integrity, imagination, perseverance, determination when presented with his personal experience were a treat to listen to and truly inspiring . As the annual day celebration was at the auditorium it was also attended by the registrar, pro vice chancellor and other deans and faculty members of Jamia Millia. The street play, folk dance and Qawwali were well organized and appreciated.

**Seminar/conference/workshop organized**

- A twelve days Workshop was organised for 1<sup>st</sup>Year Students of B.Ed. (IGNOU) from 28<sup>th</sup> May, 2012 to 8<sup>th</sup> June, 2012.
- A seven days Workshop was organised for 1<sup>st</sup> Year Students of M.Ed. (IGNOU) from 20<sup>th</sup> September, 2012 to 26<sup>th</sup> September, 2012.
- A ten days Workshop was organised for 2<sup>nd</sup>Year Students of M.Ed. (IGNOU) from 17<sup>th</sup> September, 2012 to 26<sup>th</sup> September, 2012.

**Programme attended**

- 7<sup>th</sup> three week Refresher course in West Asian Studies (Interdisciplinary) from 19<sup>th</sup> January to 10<sup>th</sup> February, 2012, organised by Academic Staff College, Jamia Millia Islamia, New Delhi 110025
- 21<sup>st</sup> Refresher Course in Education for Three week at Academic Staff College, JMI from 10.04.2013 to 02.05.2013

**Lecture/Talk delivered**

- Two lectures were delivered in a '5 day training programme on 'Statistical Methods' for the academic and technical persons of NTS-I. organized by NATIONAL TESTING SERVICE-INDIA (A Central Scheme of the MHRD) Centre for Testing & Evaluation (CT&E) H.Q: Central Institute of Indian Languages (CIIL) (Department of Higher Education, Govt. of India) Manasgangotri, Mysore - 570 006
- Different lectures delivered in B.Ed. and M.Ed. Workshops.

**Contribution to corporate life of university**

- NSS Coordinator (IASE) in the sessions 2008-09, 2009-10, 2011-12, 2012-13
- Coordinator of Girls Common Room (Faculty of Education) 2010 to till date
- Sr. Warden, Bagum Anees Kidwai Girls Hostel, Hall of Girls Residence, Jamia Millia Islamia, New Delhi 25, since July 2008 to April 2013
- Sr. Warden, Miridula Sara Bai Working Women Hostel, Hall of Girls Residence, Jamia Millia Islamia, New Delhi 25, since July 2010 to April 2013
- Member of Admission Committee of IASE since 2007 till date.
- Member of Examination Committee of IASE since 2007 till date.

## DEPARTMENT OF CIVIL ENGINEERING

The Department offers two undergraduate courses in Civil Engineering. The Department also offers Master programme with specializations in Environmental Science & Engineering and Earthquake Engineering, the second in the country after IIT Roorkee, along with doctoral programmes in major specialisations of Civil Engineering. In all, there are around 560 students in undergraduate programme and 75 students pursuing their Masters degree. More than 35 Ph. D. research scholars including many from foreign countries are currently working on emerging research areas.

The Department is known for its reputed faculty with expertise in diverse fields of Civil Engineering. Presently, the department has 22 highly qualified, experienced, sincere and dedicated teaching faculty members, actively participating in research and consultancy work.

### Courses offered:

## DEPARTMENT OF COMPUTER ENGINEERING

**Mission**

- To carry out leading research in all the areas of Computer Science & Engineering.
- To train and prepare the students for taking up leading jobs in industry and academia.
- To carry out collaborative research with the leading industries.

Since its inception in the year 2000, Department of Computer Engineering has evolved as one of the leading departments at the Faculty of Engg. and Tech. The Department is running two undergraduate courses viz. B. Tech. in Computer Engineering and B. E. in Computer Engineering. Both the courses are fully equipped with the subjects that are currently the need of the industry with the aim to make the students market ready.

Training Neural Network using Zero Weight initialization	CUBE 2012, ACM International Conference	Pune, India	3 - 5 Sept 2012	Praveen Chandra

**Programme Attended:**

- Attended a 3-week Refresher Course, from 15<sup>th</sup> June 2011 to 5<sup>th</sup> July 2012, organized by Academic Staff College Panjab University, Chandigarh.

**Contribution to the corporate life of University:**

- **Member**, Board of Studies, Department of Computer Engineering, JMI.
- **Project Technical Advisor** for the University CCTV Project.
- **Technical Coordinator** for the Server at the F/O Engg & Tech Library.

**DR. FAIYAZ AHMAD  
(ASSISTANT PROFESSOR)**

**Programme Attended:**

- FDP on “**Emerging Technologies**” technologies like *Information Security and Risk Assessment, Software Estimation and Software Quality Assurance, Green IT*, etc. held on 21<sup>st</sup> July 2012 Organized by TCS at Bharti Vidyapeeth's Institute of Computer Application and Management , Delhi

**Contribution to the corporate life of University:**

- Member BOS Deptt of Computer Engg, JMI
- Member of Jamia cultural committee and co-conveners of Entrepreneur club under Jamia cultural committee.

## DEPARTMENT OF ELECTRICAL ENGINEERING

The Department of Electrical Engineering was incepted in 1985. Since then it has registered tremendous growth in teaching and research and has got its recognition at national and international levels. The department offers a regular four Year B.Tech. program in “Electrical Engineering” and two regular M.Tech Programs. The First M.Tech. Programme in “Electrical Power System Management (EPSM)” was started in 2003-04. The second M.Tech. Programme in “ Control and Instrumentation Systems (CIS)” is started in 2012. The department also runs a four-year B.E.(evening) program in “Electrical Engineering” for working professional with Diploma. The Department is also running a Ph.D. programme in five major areas namely; (1) Power System, (2) Power Electronics and Drives, (3) Computer Technology, (4) Control and Instrumentation, and (5) Electronics and Communication.

Most of the faculty members are having expertise in their own areas of specialization. Many of them have received prestigious awards and have published a good number of papers in refereed

National/International journals and conferences. The Department has received generous grants from government funding agencies like AICTE, MHRD, MNRE, UGC, DRDO, DST etc and has successfully completed a number of Research and Development and Thrust Area Projects worth more than rupees three crore. The Department has well established facilities for research work in the area of power and energy systems, robotics and automation, Power Electronics, Power Quality & Energy audit, Soft Computing and many allied areas.

**DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING**

Department of Electronics and Communication Engineering was established in 1996 and is approved by AICTE. The Department runs two undergraduate courses and a PhD program in Electronics and Communication Engineering. At present there are three Professors, one Associate Professor and five Assistant Professors in the department. Most of them are PhD holders. The department is equipped with state of art laboratories and also infrastructure for research students. The placement of students of undergraduate courses has been excellent in recent years. This year also around 70% of students got placement in good companies.

**Courses offered:**

Courses offered	Annual Intake	Number of Applicants	Total Enrolment			
			SC	ST	Women	Total
Ph.D.			03		04	24
Masters in						
Bachelors in (E&C)	70		12	5	27	220

## DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering, Faculty of Engineering and Technology at Jamia Millia Islamia is to provide students with a sound mechanical engineering education, enhance the understanding and application of mechanical engineering principles, for techno economical development of the country, and improve the quality of life of our citizens through teaching, research, and outreach programs. The mission is further to provide an environment where students have extensive avenues to excel, improve technical exposure and develop personality and then get placed in PSUs, MNCs and reputed companies with good future so that students have global presence, in various roles and responsibilities. . With excellent teaching and learning environment it provides a platform to install high motivation, moral values and leadership in its students.

The Department offers eight-semester Bachelor of Technology (B.Tech.) course with an annual intake of seventy, four-semester Master of Technology (M. Tech.) course with annual intake of 18 and Doctor of Philosophy (Ph.D.) in Mechanical Engineering. M. Tech. Program is offered in three broad areas of Mechanical Engineering namely Production-Industrial Engineering, Machine Design and Thermal Engineering. The department has a student population of about 560 at UG, 40 at PG and about 44 at doctoral research levels. In addition, it also offers four-year, Bachelor of Engineering (B.E) (Part-Time) program in the evening with an annual intake of 70 for working diploma holders to up-grade their knowledge and skill.

The students from diverse background are selected through a nationwide written test followed by an interview. The posh campus, situated in southern suburb of national capital provides excellent teaching and learning environment to the students. Most of the classrooms are fitted with modern audio visual aids. The undergraduate curriculum of the Department includes a foundation of mathematics, physics, chemistry, environment, humanities, and electrical engineering. Engineering courses in fundamental areas constitute much of the remaining curriculum. A few technical electives allow the undergraduate student to specialize somewhat or to pursue broader understanding. In addition, the students develop experiment conducting skill by performing experiments in 20 different laboratories in the department. Department also supports workshop to students of all branches of Engineering.

The course curriculum has been designed to prepare its graduates to become intellectual leaders in industry, government, and academia. Graduates of the program will have the professional and scientific knowledge that allows them to be successful as career engineers and in the most demanding graduate programs. Specifically, they will be able to:

Function in professional environments in industry, government, and academia applying and building upon engineering science knowledge, problem-solving skills, and communication skills;

Function as members of teams and in leadership roles applying ethical standards beyond traditional Mechanical engineering disciplines; Remain acquainted with technology and contemporary scientific and societal issues, and consequently improve skills and knowledge through a lifelong process of learning.

Good research facilities and teaching oriented laboratories are available in Metrology, Ergonomics, CAD, Computer Integrated Manufacturing and Refrigeration and Air-conditioning.

Department has active and vibrant students' chapters of major professional bodies as American Society of Mechanical Engineers (ASME) and Society of Automotive Engineers (SAE). Here they get a world class platform for organizing, participating and developing engineering ideas. This helps them in developing a holistic personality.

It has sanctioned strength of 27 teachers. The Department derives its excellence from the team of highly qualified, experienced, sincere and dedicated teaching faculty members. , all employed have PhDs, except

few members pursuing research. The Faculty members actively participate in research and consultancy-work with a gross departmental publication of exceeding 350 in reputed refereed International Journals. Faculty is high qualified and sincere.

Research in the Department of Mechanical Engineering is diverse and scholars are directly exposed to the multidisciplinary nature of modern mechanical engineering and its allied areas. At any point of time approximate 40 students are enrolled in the department for research. The Department provides facilities and supervision to conduct research on advanced topics of Industrial-Production, Thermal and Machine Design Engineering.

The department has active collaboration with academics and industry such as University of Salford (UK), CIL, IIT Delhi, NTPC, TERI, DTU, DST, DRDO, currently department is undertaking two sponsored research projects one from Department of Science and Technology for Rs 15.36 lacs (on Technology Forecasting and Assessment) and another from Ministry of Environment and Forests partnered with TERI for Rs 68 Lacs.

In the past, several events including International conferences, National conferences, Summer schools, Seminars and Workshops related to various areas of Mechanical Engineering have been organized and similar events are planned to be organized in future too.

The Department has focus for the future developments and it offers the aspirant engineer the opportunity to study in a pleasant environment. Through the modern structure of the Department, a special and unique opportunity is provided to the students to prepare themselves for the demands of their future work environment. Well-equipped laboratories and a competent lecturing corps, combined with the dynamics of a big city on the threshold of our campus, ensure that the Department remains at the forefront of the latest technology and makes the University the number one choice for prospective student's admission.

(ii) Mr Ankur Wadhwa, B. Tech (Mechanical) III Year representing ASME student chapter of JMI participated in "CAD Modelling Competition" organised by ASME IIT Roorki held in Feb. 04-05, 2012

## DEPARTMENT OF MECHANICAL ENGG.

The Society of Automotive Engineers (SAE) is an international engineering society established to develop core competence in the area of aerospace, automotive and commercial vehicles. The members of SAE are industry leaders and workers from all areas of the transportation industry, as well as thousands of college students from around the world. It provides opportunities for its members to design and build on-road and off-road vehicles for use in SAE sponsored competitions. SAE INDIA is India's leading resource for mobility technology. As an individual member driven society of mobility practitioners the ownership of SAE INDIA wrests with its members who are Individuals from the mobility community, which includes Engineers Executives from Industry, Government Officials, Academics and Students. Members learn hands-on skills, as well as effective team working strategies that will be essential to succeed in industry upon graduation. Members engage in practical engineering, learn complex manufacturing techniques, and feel the pressure of working under deadlines and strict budgets. Best of all, members receive great satisfaction in seeing their designs make the transition from paper to working machines, which consistently finish near the top at competitions.

The Ladder of Success under SAE INDIA JMI

- SAE BAJA 2011: Team 'Rage against the Machine'
- QUEST INGENIUM DESIGN CONTEST
- SAE EFFICYCLE 2011: Team 'THOR'

#### JAMIA MILLIA ISLAMIA LAUNCHES ITS OWN HYBRID ELECTRIC VEHICLE

This year once again under the able guidance of Prof. M.M.Hasan and leadership of Prateek Bansal, a Pre- Final year Mechanical Engineering student, the team THOR comprising eight students, from the Department of Mechanical Engineering, participated in SAE Efficycle 2012, a three day national event held at University Institute of Technology, Chandigarh from the 12th - 14th of October, 2012.

MEMBERS	ROLES	RESPONSABILITY
PROF. M. M. HASAN	FACULTY ADVISOR	GUIDANCE
PRATEEK BANSAL	TEAM LEADER	SUSPENSION, BIO FILTER, ERGONOMICS
ANKUR WADHWA	DESIGN HEAD	CAD MODEL, ANALYSIS
ALAN BABU	DESIGN MEMBER	PART MODELLING
AKHIL GUPTA	BRAKING	BRAKE SELECTION & VALIDATION
ANKIT GARG	STEERING & TIRE	TIRE SELECTION, STEERING GEOMETRY
SAGAR GUPTA	ELECTRICAL	MOTOR & DYNAMO SELECTION, CIRCUIT
SHUBHAM GARG	MARKETTING	MARKET AVAILABILITY & COST ANALYSIS
MOHD. AREEB	ANTHROPROMETRIC	DATA COLLECTION & PLOTTING

**SAE Efficycle** is a national level Inter-Collegiate competition organized by SAE (Society of Automotive Engineers) INDIA every year at UIET, Chandigarh. A team of 8 budding engineers have to design, validate and fabricate a hybrid three wheeled Electric vehicle (all the three wheels not in straight line). This year over 120 colleges from all over India including IIT'S and NIT'S registered for the event out of which 62 colleges were selected for the final round.

The event consists of two main sub events, the Virtual event and the Final Field event. The Virtual event was held at four different campuses across India where representatives of every team would present a virtual and simulated model of their visualization of the vehicle assisted with calculations and machine design concepts. The Field event was spanned across three days exposing young engineering minds to the nitty-gritty of vehicular design and fabrication. The event culminates with a final durability race in which all eligible teams would take part in a 90 minute race across UIET campus covering a lap stretch of over 1.4 kms.

Last year in the same event, Jamia Millia Islamia in its maiden attempt, secured the award for “Best Utility and Handling” clubbed in with a cash prize of Rs.25000. Carrying the Huge burden of expectations was a tough ask for the relatively fresh team but surprisingly the team exceeded expectations when it achieved the rare double of bagging the awards for “**Overall 1st position**” and “**Winner Durability Race**” bagging a total cash prize of **Rs. 1.3 Lakhs**. The team emerged winners of the race with a total lap count of 28 and went on to secure the overall first prize as well.

The team believes that the motor of their vehicle, the innovatory spring suspension, and the easy driving helped them to win the competition.

The Team received support from the Department of Mechanical Engineering, giving permission to use the I.C.Engines Lab and machines for the fabrication of the vehicle. The team was also supported by Hero Electric limited which provided batteries for the vehicle. The cost of the vehicle is estimated to be **Rs 28000** with a mileage on full charging to be very close to around 8 hours.

**Student association organised the following lecture series:**

**“Future Prospects of Auto Industry”** By Mr. B.k. Sinha, COO Sandhar Technologies Ltd

On 20th April, 2012 at 1 to 5.30 PM:

**“Power Sector Future Prospects”** By Mr. C.P Arora, V.P LANCO Infratech Ltd.

On 25th March, 2012 at 1 at 5.30 PM:

**“Ethics of Industries for Engineers”** By Mr. Rakesh Verma, V.P Samsung Engg.

On 25th March, 2012 at 7.30 PM.

**“Carrier Path Planning For Engineers”** by Mr. Anooosh Hasan Naqvi, Vice President Credit Suisse  
Delivered a Lecture at Seminar Room of Mechanical Engg Deptt on 2nd feb, 2012.

**“Technical Presentation on SEM”** by Mr B. S. Mehta, Dy. General Manager, Advance Scientific Equipment Pvt Ltd, New Delhi.

On 13 March 2013 at 10:30 PM.

**“Measurement and Visualisation in Thermo-Fluid Engineering”** by Dr Andalib Tariq, Assistant Professor, IIT, Roorkee

On 08 March, 2013 at 3:30 PM

**Any other information**

- Two girls students of B. Tech. Mechanical, Name Ms Esha and Ms Sakshi Joshi had attended the 10 days (from 11 March to 22 March, 2013) self defence conference organised by Sarijini Naidu Centre for Women’s Students in collaboration with Delhi Police.

## UNIVERSITY POLYTECHNIC

With a Motive to strengthen the technical education in India, JMI Started in 1957 a Civil and Rural Institute, new named as University Polytechnic is one of the oldest departments of Jamia Millia Islamia operative under the Faculty of Engineering and Technology of the University. It is conducting Diploma Engineering courses of 3 years duration in the following branches:

- Diploma in Civil Engineering
- Diploma in Computer Engineering
- Diploma in Electrical Engineering
- Diploma in Electronics Engineering
- Diploma in Mechanical Engineering

#### Courses offered:

- Dr. Ataullah Siddiqui. Member of faculty committee
- Mr. Mohammad Shahid Akhtar, Incharge Department library, University Polytechnic, JM
- Mr. Mohammad Shahid Akhtar, Supporting Assisting the Co-ordinator sessional test (University Polytechnic in conducting the sessional test (Day Courses)
- Dr. Abdul Ahad, To Conduct sessional test, tabulation of result.
- Mr. Mohammad Kamil, Incharge Tabulation, JMI
- Dr. Shahzad Ahmad, Working as coordinator of Diploma in Electrical Engg. Distance Mode of ASCDOL centre No. 6 University Polytechnic, JMI.
- Mr. Anisur Rehman Nasir, Warden FRK Hostel.
- Mr. Anisur Rehman Nasir, Member Training & placement, University Polytechnic.
- Mr. Afroz Khalid, Tabulator of Examination & Project Work.
- Dr. S. A. M. Rizvi, Examination Related / External Examiner
- Dr. S. A. M. Rizvi, Delivered Lecturer at ASC, JMI President RWA.
- Mr. Riyazuddin , Member of Jamia court
- Mr. Badshah Alam, Tabulation work of B.E. Mech. & Diploma in Electronics Engg. (Evening) for the session 2012-13
- Mr. Syed Mohammad Mohmood, Worked as Sr. Warden 2012, JMI
- Mr. Syed Mohammad Mohmood, Member A.C., JMI
- Mr. Syed Shane Haider Rizvi, placement coordinator of Mechanical Engg. Section. & helps in the organization of sports week, annual function etc.

#### **MR. SUNIL**

- Appointed as University Placement Cell Website Incharge.
  - Appointed as Training & Placement coordinator (Day Course) Computer Engg. Section.
  - Working as Training & Placement Coordinator for Diploma in Engg (Evening Course)
  - Supervised Game Events of University Polytechnic held on 09.01.2012 to 13.01.2012
  - Appointed as Laboratory Incharge of Computer Network and Software. Engg Lab
  - Appointed as Tabulator to tabulate the result of Diploma in Civil, Electrical & Electronics Engg. (Day) Annual Examination-2012.
  - Appointed as Tabulator to tabulate the result of Diploma Semester Examination December 2012 of Civil, Computer Mechanical, Electrical & Electronics Engg.
  - Appointed as Tabulator to tabulate the result of Semester Examination December 2012 of MA (History, Islamic Studies, Arabic, English, Hindi, Persian and Urdu) Courses.

#### **MS. FARAH JAMAL ANSARI**

- Attending meetings of the department and board of studies
- Member of the Board of studies
- Assigned Duties in the Sports Week.
- Ms. Shabi Fatima, Monitoring Students

#### **PROF. N U KHAN:**

- Attended Administrative council meeting of Walchand College of Engg, Sangli, At Mumbai on 4.12.2012 as “UGC Nominee”
- Selection committee meeting of Aliah University, Kolkata, on 18.06.2012
- Selection Committee meeting of the Ministry of Environment & Forests, Paryavaran Bhawan, New Delhi on 15.3.2012.
- Supervising M. Tech. Educational tour, JMI to Chakki Bank on 2-5 March, 2012.
- Selection committee meeting of Walchand College of Engg, Sangli, Maharashtra, on 21.02.2012.

- Selection Committee meeting of MANUU, Maulana Azad National Urdu University, Hyderabad on 10-11 March, 2012.

## FACULTY OF FINE ARTS

### DEPARTMENT OF ART HISTORY & APPRECIATION

Department of Art History & Art Appreciation was established in 2007. This is the only one Department in Delhi which has MFA in Art History. The Department of Art History & Art Appreciation provides divers programmes for the study of the History and theory of Art. The program seeks to create a forum for the exploration of the visual arts as manifested in major epochs of European, near eastern and Asian civilization. The Department seeks to cultivate knowledge of salient works of art, of the structures with in which they are produced and utilized, and of the ways in which the visual environment in the broadest sense generate, acquires and transmit meaning.

## DEPARTMENT OF ARABIC

The Department of Arabic is one of the oldest Departments of Jamia Millia Islamia. It enjoys a high reputation not only in India but also in the Arab & Muslim world. Arabic in Jamia Millia Islamia has been one of the subjects which were introduced at the undergraduate level at the earliest stage. However, its teaching at Post-graduate level started in 1976 as one of the three disciplines of the erstwhile Department of Islamic & Arab Iranian Studies. The Department of Arabic as an independent unit was established only in 1988. At present the Department conducts different courses such as B.A. (Honors), M.A. and part-time

evening courses namely Certificate, Diploma, and Advance Diploma in modern Arabic language and translation. Besides, it also enrolls scholars for Ph.D. course on a variety of subjects' relevant to Arabic language and literature.

#### DEPARTMENT OVERVIEW

The Department has produced eminent scholars of Arabic who are serving to the Nation as well as Foreign countries. Some of them are working with the Foreign Services & many other are serving in different Indian Universities & foreign Universities on the post of Lecturer & Professor. The Department organized many National Seminars/Seminars/ Extension Lectures & Memorial Lectures also alongwith a number of co-curricular activities till date on the different topics, keeping view of benefits of students.

## **FACULTY OF NATURAL SCIENCES**

### **DEPARTMENT OF BIO-SCIENCES**

Department of Biosciences at Jamia Millia Islamia was established in 1985 with an aim to impart teaching with strong component of physical sciences and research in interdisciplinary areas of Modern Biology. In this pursuit, we also maintain in-house expertise in Pure and interface Physics, Chemistry and Mathematics.

Our undergraduate teaching programme is radically different from other Indian universities in that it incorporates Physics, Chemistry and Mathematics on equal footing with modern and classical biosciences. Post Graduate teaching programme of M.Sc.-Biosciences captures entire spread of life science. Both programmes strive to build seamless connectivity and synergy between Physical and Biological Sciences. Numerous students of ours have found placement as teachers and researchers in all leading institutes of India and abroad.

**DEPARTMENT OF BIOTECHNOLOGY**

Department of Biotechnology, Jamia Millia Islamia is one of the leading Biotechnology departments in the nation. The department offers B.Sc., M.Sc. and Ph.D. in Biotechnology. Curricula are often revised to keep pace with generated knowledge and rapid advancements in the field of science. The department deserves high grades due to its impressive achievements of generating manpower in field of biotechnology and adopting the practice of high quality of teaching and research.

**DEPARTMENT OVERVIEW**

Department of Biotechnology, Jamia Millia Islamia was established in the year 2008 in the Faculty of Natural Sciences and achieved a rank among top ten biotechnology departments in India. The Department offers B.Sc. and M.Sc. on semester system and Ph.D. in biotechnology. Its student intake capacity now is 30 in each course. Pass outs from this department are now pursuing further education in the prestigious institutions like IIT Mumbai, IIT Delhi, IIT Roorkee, MAMC, AIMS, NICD, ICMR, Univ. of Hyderabad, etc. More than 120 students have qualified for the JAM, UGC, CSIR, ICMR, & DBT, NET JRFs. Headed by Prof. (Dr.) Syed Akhtar Husain, Department faculty includes Dr. M. Husain (PDF from USA), Dr. M. Irfan Qureshi (PDF from Italy), Mr. Kapil Dev, Dr. Meetu Gupta, Dr. Sadaf Fatima and Dr. Abdur Rub (PDF from USA) working in fields of cancer biology, HIV/AIDS, proteomics & bioinformatics, medical biology, plant ecotoxicogenomics, protein chemistry and infection-immunology, respectively.

## DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science was established in the year 1999 with the objective of producing Computer Science and IT professionals and researchers of international standard and to primary fulfil requirements of booming IT industry. It is now being supported by one Professor, two Associate Professors, ten Assistant Professors, and technical/administrative staff members. The Department offers three postgraduate regular programs including PhD, MCA, and PGDCA, and a self-financed evening program M.Sc. (Bioinformatics). In addition, it supports partially in the execution of two undergraduate programmes, B.Sc. (Pass) and B. A. (Pass) in terms of teaching Computer Science courses. Special feature to mention includes good placement record of MCA graduates, continued funding by the Department of Biotechnology for DBT-BIF project, apart from cumulative graduation outcome of PhDs reaching to 35.

### Courses offered:

Courses offered	Annual Intake	Number of Applicants	Total Enrolment			
			SC	ST	Women	Total
PhD	11	120	Nil	Nil	04	09

Masters in Computer Applications (MCA)	50	2707#	Nil	Nil	16	56
PGDCA	30		Nil	Nil	04	15
M.Sc. Bioinformatics	40	128	Nil	Nil	20	40

#Combined Entrance test for MCA and PGDCA for the academic year 2012-2013.

1. Mohammad Ahmad	Component Based Software Engineering	Prof. K. Mustafa
2. Muna M. Taher Jawhar	Enhanced Design of an Intrusion Detection System	Dr. M. Mehrotra
3. S. Sangeetha	In silico identification of potential inhibitors of drug targets in Plasmodium falciparum and design of target oriented virtual compound library"	Dr. M. Mehrotra
4. Vineet Kumar Sharma	The Development of Software Technique to Improve the Performance of a Distributed System.	Dr. S. Z. Hussain
5. Rajendra Kumar	Development of Security Requirements for Web Applications	Prof. K. Mustafa
6. Jahiruddin	Text Mining for Knowledge Discovery from Domain-Specific Text	Dr. M. Abulaish
7. Shabana Rehman	OOD Security Vulnerabilities and Mitigation Mechanism	Prof. K. Mustafa
8. Nadia Imdadi	Global Framework for Automatic Semantic Integration Incorporating Semantic Repositories	Dr. S.A.M. Rizvi

#### Training & Placement of Students

- Continuing with past trend in the field of training/placement activities, the students of MCA got the opportunity in sixteen companies. The details companies with the number of students is as follows: TCS-13, EXL Services-02, Newgen-02, CSC-03, IMD-04, GSCPL-01, Impetus-01, Wipro--01, IGLU Labs (Bangalore)-01, DRDO-03, I Tech Power-01, RNF Technologies-02, MK ANOTECH Pvt. Ltd.-02, CMC Ltd.-01, Swarnim Infosft Pvt. Ltd.-01, CRIS-02 & HCL-01.

**Co-curricular/Extra-curricular event organized by the Deptt./Centre/Faculty:**

- An orientation programme was held on 8<sup>th</sup> Aug, 2012 and approximately 100 students attended it.
- A fresher's welcome party was held on 13<sup>th</sup> Oct, 2012 during which the newly admitted students were welcomed by their seniors.
- Special Extension Lecture on 'Machine Translation' by Prof. Niladari Chaterjee from IIT Delhi was organized on 19<sup>th</sup> Sept, 2012.
- Special Extension Lecture on 'Integrated Data Analytics- Challenges with Big Data' by Dr. Lipika Dey from TCS was organized on 27<sup>th</sup> Feb, 2013.
- A farewell party of MCA students was organized on 9<sup>th</sup> March, 2013.
- A Seminar on 'Cyber Security & Ethical Hacking' by Crezonetech Technologies' was organized on 22<sup>nd</sup> Oct, 2012.
- A Seminar on 'Cloud Computing and Android' by Webtech Labs was organized on 31<sup>st</sup> Oct, 2012.

- **Member**, Syllabus Design/Revision Committee for B.A./B.Sc. Credit-Based System.

**Any other contribution**

- Received Indian Academy of Sciences (IASc-INSA-NASI) Summer Research Fellowship for two months and worked at IIT Bombay lab during May 01 – June 30, 2012.

**DEPARTMENT OF GEOGRAPHY**

Established in 1971, the Department offers regular courses on B.A. /B.Sc. (Hons), MA./M.Sc., Post Graduate Diploma in Digital Cartography, Post Graduate Diploma in Remote Sensing and GIS Application and Ph.D. in Geography. Researches are being conducted in fields of Urban, Rural, Agriculture, Population, Social, Gender, Transport, and Urban Environment with frequent use of geospatial technology. Apart from academic institutes, students/researchers are being absorbed in planning departments, geospatial technology centers, administrative and civil services.

#### Training & Faculty Development Programmes

- 15<sup>th</sup> Refresher Course in 'Geography and Environmental Studies' in Academic Staff College, Jamia Millia Islamia, New Delhi
- DST Funded Three weeks Summer Training Programme on 'Geospatial Technologies and Applications' under NRDMS Programme in DST.

#### Training & Placement of Students

- One week training programme on RS/GIS for the students of Amar Singh College, Srinagar, J&K
- 10 days workshop on Research Methodology for Ph.D. students, sponsored by ICSSR

#### Co-curricular/Extra-curricular event organized by the Deptt./Centre/Faculty:

- Under "Geography Association" - The subject association of Geography Department
- Essay Competition
- Poster Making Competition
- Inter-departmental Debate
- Inter-departmental Competition on Extempore Speech
- Academic Movie Shows
- Extension Lecture by Dr. Soe Myint, University of Arizona, USA

## DEPARTMENT OF PHYSICS

The Department of Physics as an independent department was created in 1971. In the same year B.Sc. (Hons.) course was introduced.

The Department of Physics introduced M.Sc. (Physics) course in the year 1985 with specialization in Physics of Materials. Further in 1995-96, the Department started two more specializations in M.Sc. Physics, viz. Laser & Spectroscopy and Theoretical Physics. Thus, the following three specializations now exist at M.Sc. Physics level:

- (i) **Materials Science**
- (ii) **Laser & Spectroscopy, and**
- (iii) **Theoretical Physics.**

The research areas which are in progress in the Department are: (a) Nanomaterials, (b) Growth and characterization of single crystals (c) High Tc Superconductivity, (d) X-ray Diffraction, (e) Molecular and Laser Spectroscopy, (f) Laser Materials, (g) Amorphous Semiconductors (h) Nonlinear Optics and Quantum Optics, (i) Theoretical Nuclear and Condensed Matter Physics, (j) Theoretical High Energy Physics, and (k) Polymer Materials

**Courses offered:**

## DEPARTMENT OF COMMERCE & BUSINESS STUDIES

The Department of Commerce and Business Studies, established in 1985 with a vision to become a centre of excellence for business education is committed to the cause of transforming students to business professionals. The department is having a mix of young & experienced faculty members specialized in diverse area of Finance, Accounting, Marketing, HR and Entrepreneurship. The department offers industry and job oriented course curriculum which is updated regularly to keep pace with the changing business scenario and professional requirement. The department is presently offering the Ph.D, M. Com. (Business Management) and B. Com. (Hons.) Programme.

The commerce and business education is highly application oriented and hence we at the department follow a multidimensional pedagogy for different programmes which consist of Lectures, Case studies, Individual and group presentations, Seminars & Workshops, Survey based field work, Multimedia resources, Industry interactions, Extension lectures on emerging issues etc.

**International Seminar:**

- International Seminar on “Psychology of Trauma: Women and Children in Violent Conflict”, Department of Psychology, JMI, New Delhi, March 13-14, 2013 (Sponsored by ICSSR).

Trauma is one of the most significant and unavoidable outcome of a violent conflict. Apart from the physical, material and economic damages that are inflicted on the population, the traumatic experience of violence can have long lasting and deep rooted psychological consequences. Witnessing violent crimes, loss of loved ones, destruction of the community, involvement in perpetration of violence, displacement and torture are some of the common situations in a conflict zone that may have multiple impacts on the mental, social and emotional functioning of the individual. With respect to the above, the International seminar was organized to address various aspects of trauma in the context of women and children in violent conflict. Experts and scholars from all relevant disciplines were invited to deliberate on the following themes:

- Understanding Conflict, Violence and Trauma
- Women in War/Intractable Conflict
- Children in War, Conflict and Trauma
- Trauma-Spirituality, Resilience and Well Being
- Trauma and Mental Health in Women and Children
- PTSD and PTG In Children and Women

- Violence against Women
- Assessment and Intervention of Trauma Victims
- Sexual Victimization of Women
- Rehabilitation of Trauma Victims

In addition to Inaugural and Valedictory sessions, 15 eminent scholars delivered Invited lectures. Spread over 16 parallel thematic sessions, one symposium and more than 100 research articles were presented in two day International seminar.

## DEPARTMENT OF SOCIAL WORK

The Department of Social Work was established in 1967 to impart social work education at undergraduate level and subsequently the post graduate programme in social work was introduced. Today the Department has been recognized as Centre of Advanced Study in Social Work by the University Grants Commission. In the year 1991, the University Grants commission (UGC), accorded the status of Department of Special Assistance (DSA) that was followed by two more phases of DSA. The department was also sanctioned assistance from UGC under the ASSISH programme (2005-2010). The DSA and ASSISH put together have strengthened the department in terms of academic quality and infrastructure building. Presently the department offers an undergraduate degree in Social Work along with Masters in Social Work and Human Resource Management, Ph. D Programme and a PG Diploma in Management of NGOs.

**Rural camp:****Camp Director Dr. Intezar Khan****Camp Co-director: Mr. Sanjay Ingole****Date and Venue: December 14-24, 2012, Pattikalyana Village, Panipat, Haryana**

Every year, Department of Social Work organizes a rural camp for the undergraduate and post graduate students in social work in order to enable them to understand rural realities and rural institutions from the perspective of the insider. The group of students accompanied by two faculty members camps in a rural area and has an intensive interface with the rural families. This year the camp was held in village Pattikalyana, District Panipat from December 14-24, 2012. The Department collaborated with Gandhi Smarak Nidhi in Pattikalyana, who offered free accommodation and logistics and helped in the planning and execution of the camp.

The team stayed in the Gandhi Ashram and strictly followed the daily schedule of the Ashram which gives thrust on the dignity of labor. The students were made to get up early in the morning, attend yoga sessions, clean up the Ashram, and in the evening, attend the Sarva Dharm Prarthna (All Religion Prayer) before their feed back meeting and lunch. Teams of students interacted with the villagers to understand livelihood issues, health concerns, systems of water management, public distribution system, educational concerns etc. Besides this, regular academic and interactive sessions were arranged for the students in the Ashram in the evenings to enhance their knowledge and acquaint them with the locally relevant social issues. While the BSW students were engaged in working with the children in village using program media activities, the MSW students used PRA techniques and worked on the issues like female feticide and domestic violence. The students also mobilized the community for Shram Dhan at different locations in the village, and sensitized the villagers regarding cleanliness. Cultural programs were held in each of the villages towards the end of the camp where large number of villagers gathered in the venue to witness the performance of their children. The students, grouped into various committees, took charge of the management of the camp, including food, finance, transport, games, etc. under the supervision of camp directors.

**Self Development and Management Programme:**

A self-development and management programme was undertaken for the students of MA in HRM 1<sup>st</sup> Sem, 2012-2013, in Nainital in Nov. 2012. The activity was constituted as an evaluated activity of the first semester field work. The broad objectives of the activity were to:

- develop the overall personality of the students by means of challenging situations,
- make them physically and mentally confident and disciplined,
- develop team spirit and co-ordination,
- develop the ability to take up goal-oriented risks & develop leadership qualities in them.

The activities selected to meet these objectives were outdoor adventure activities and group games. Prof. N U Khan, Dr. Intezar Khan and Dr. P. Sigamani organized, conducted and evaluated this component of field work. Specialist resource persons and instructors for rock climbing activities were also engaged. All the

activities done were practical and had direct relevance to their studies. The practical implication of time management, team work, coordination, innovations helped the students to learn in a better way and to apply it properly. The students also got to know their batch mates better leading to a friendly environment back in the college.

**Inter agency sports and cultural meet**  
**Co-ordinator: Dr. Virendra B. Shahre**

The Department conducted its annual event of 'Inter Agency Sports and Cultural Meet - 2013' on February 17, 2013. The beginning of this annual event dates back to the time of inception of the Department of Social Work in 1967. The main importance of the event lies in the fact that it celebrates the birth anniversary of a great visionary, an eminent educationist and a committed reformist, the late Dr. Zakir Husain (1926-1948) who has had a great influence on the Social Work Department. The objective of the Meet is to provide a platform for children across Delhi's slums, villages and resettlement colonies, an opportunity to mingle with each other and experience the university atmosphere. These children are brought along from communities where the social work students are placed for field work training through the entire year.

Approximately 400 children from 35 organizations participated in the event. The Chief Guest of the program was Mr Suhail Hashmi, renowned Journalist and Writer. It was a great learning experience on the part of the students of social work, as this event is basically coordinated and managed by them, under faculty supervision.

**Subject Association Activities:**  
**Student Advisor: Dr. Virendra B. Shahare**

This year, the Subject Association in the Department of Social Work was constituted with the Head of the Department as Chairman and **Dr. Virendra B. Shahare** as the Student Advisor. The major activities of the Subject Association this year included organizing of educational and Co-Curricular activities for the students. The students were facilitated to participate in various activities such as essay writing, competition, quiz competition, solo singing competition, to attend self-defense workshop, at Jamia Millia Islamia and outside the department and other university during 2012-2013.

A student seminar on Poverty, Homelessness and Social Inequality in India: A Policy Perspective was organized on November 7, 2012. The seminar was attended by students from other departments of the JMI as well as other Universities like Delhi University. The other activities included organizing of Inter-department and Intra-department Cricket Match, March 13, 2013 and Annual Fest of the Department-SEHER, March 18-20, 2013. The Annual Fest included events like Debate, Quiz, Ad-Mad, Poster Making, Face Painting, Street Play, Rock Show etc. The Fest was attended by students from other departments of the JMI as well as other Universities like Delhi University

The students were facilitated to attend talk of His Holiness Dalai Lama on September 2012 at Jamia Millia Islamia, talk of Sir James David Bevan, the British High Commissioner to India on "Reasons to be Cheerful :Why Now is the Best Time to be Young" on February 8, 2013 at Jamia Millia Islamia. The students also attend short term course on 'Earthquake Disaster Management' conducted jointly by Sikkim Studies Programme of the Centre North East Studies, Jamia Millia Islamia and Department of Geography, Jamia Millia Islamia, New Delhi, August 22 -24, 2012. A programme "Big Friend Little Friend" for B.S.W students was organized on March 6, 2013. The subject association also facilitated students to attend to Seminar workshop on 'Pursuing the Cause for Justice - Media and the Law from October 9-13, 2012 at Jamia Millia Islamia.
