

## Programmes/courses

1. B.Voc Medical Laboratory Sciences (MLS)
2. B.Voc Medical Electrophysiology (MEP)

These courses are offered in self finance mode.

<b>Duration</b>	3 years
<b>Eligibility</b>	Students who have passed 10+2 level examination (or equivalent) with a minimum of 50% aggregate marks in Physics, Chemistry and Biology.
<b>No. of seats</b>	50 seats in each course (Including all reservation as per JMI rules).

**B.Voc. Medical Laboratory Sciences (MLS)** program offers students to learn about various modern laboratory tools required to diagnose wide range of diseases in a human body. This course covers both the theoretical and practical aspects of branches in diagnostic laboratory science like microbiology, pathology, transfusion medicine, histopathology, cytopathology, clinical biochemistry and molecular biology. They utilize a range of scientific tools and techniques to perform diagnostic tests across different medical specialties and interpret the laboratory findings relevant to
